AORN JOURNAL
INDEX TO VOLUMES 83-84
JANUARY-DECEMBER 2006

This index is divided into two sections: the Name Section and the Subject Section. The Name Section includes author(s) as well as individuals about whom articles are written, in which case the names appear in brackets. In the Subject Section, articles appear under one or more subject headings. AORN recommended practices appear under the appropriate subject(s), under AORN, and under Practice Guidelines. Subject headings are taken from the *Cumulative Index to Nursing and Allied Health Literature*.

Abbreviations used in this index:
